

Time Permit Curfews

Effective Date: September 30, 2025

Permit types affected:

30/60/90 day: Length or Width

Quarterly: Hubometer

Annual: Exempt | Hay | Company Specific Envelope | Vehicle Specific Envelope | Fluid Milk Transport | Fracking Trailer | Implement of Husbandry | Intermodal Shipping Container Port | Overlength | Federal Disaster Relief Permit | Manufactured Housing | North Texas Intermodal | Over Axle/Over Gross Weight Tolerance | Ready-Mixed Concrete Truck | Rig-Up Truck/Unladen Lift | Timber | Unladen Lift Equipment Motor Vehicle | Utility Pole | Water Well Drilling Machinery & Related Equipment | Well Servicing Unit

Reason for this document: The Texas Department of Transportation (TxDOT) recently updated some curfew movement restrictions. To help permit holders, the Texas Department of Motor Vehicles (TxDMV) created this document so you can print and attach it to your current permits that may still list outdated curfew restrictions. As TxDOT makes changes, TxDMV will publish the updated restrictions on our website by TxDOT district and will do our best to provide updated versions of this document. Reminder: Permit holders are responsible for checking the most current curfew and movement restrictions at www.TxDMV.gov.

For oversize/overweight permits issued by TxDMV before the effective date shown above, the curfew movement restrictions listed here replace any restrictions printed on your permit. These restrictions will remain in effect until they are amended or until your permit expires, whichever comes first. Not all the restrictions below may apply to your specific permit. Each restriction is included because it applies to at least one of the permits list above. Please follow the restrictions that apply to your permit and disregard the ones that do not.

Location	Applies to:	Curfew Time(s)	Days
