Requirements and Limitations

Each vehicle operating under the provision of Transportation Code, Chapter 622, Subchapter J, must be registered for its maximum gross weight in accordance with Chapter 502, Transportation Code.

This certification does not authorize:

1. The operation on the National System of the Interstate and Defense Highways or operation on a load-restricted road or bridge in excess of posted limits.
2. The vehicle to exceed manufacturer's tire load rating 49 CFR §393.75(f).

NOTE: THE **ORIGINAL COPY** MUST BE CARRIED IN THE CAB OF THE VEHICLE THAT IS COVERED.
